Patient Preparation Instructions

General Instructions

- If you have previous X-rays or scans of the area we are to study, bring them with you to your appointment.
- Bring this form and your insurance card with you to your appointment.
- With all exams, take your usual medications with the minimum necessary water, unless instructed otherwise.
- Leave jewelry and watches at home. Wear loose, comfortable clothing.
- Let our staff know if you are pregnant or breast feeding.

Mammography

- No perfume, deodorant or powder on the chest or underarm area.
- You will be asked to undress from the waist up. Please wear appropriate apparel.

Breast Biopsy or Needle Localization

- You will be contacted by one of our Technologists the day before your exam.

Breast Ultrasound

- No specific instructions. Please call our center if you have questions.
